

About Us

With over 40 years of being in the industry, CTS Group is a trusted leader in IT, Internet, and Telecoms solutions. Committed to innovation and excellence, we provide tailored services that empower businesses to stay connected, secure, and competitive in today's digital landscape.

Karen Ogden

Director

"At the heart of our approach is a steadfast commitment to putting our customers first. We believe every individual is unique, which is why we offer bespoke services tailored to meet your specific needs. Our goal is to provide solutions that suit everyone, ensuring a personalised experience that exceeds expectations. Your satisfaction is our priority, and we are dedicated to delivering exceptional service with a personal touch."

Services we provide

- Support your business with comprehensive internet, telecom, and IT solutions
- Provide reliable internet connectivity
- Offer advanced telecom solutions
- Deliver cybersecurity services, including audits and penetration testing
- Provide IT support tailored to businesses of all sizes
- Supply hardware and software sales
- Conduct network assessments and audits
- Assist with network setup and maintenance
- Empower your organisation with the technology and support needed to thrive in today's digital world
- Much more beyond the core services

How We Work

Over the years, we have built strong partnerships with leading technology providers such as Microsoft (MS), Sophos, Boom, Hornet Security, and more, enabling us to offer cutting-edge solutions and reliable support. Additionally, we are ISO accredited, demonstrating our commitment to maintaining the highest standards of quality, security, and service excellence.

At our company, we pride ourselves on taking a human-centered approach to every project. We believe that understanding our clients' unique needs and challenges is key to delivering truly effective solutions. That's why we offer bespoke packages tailored specifically to each client, ensuring personalised attention and customised strategies that align perfectly with your goals.
